

ORDERS RAP

Every day back to school,
Every day the same orders
Listen ,quiet,sit down,come in
All of their orders are driving me crazy

Take your book,your pen
Take this take that
Close your mouth
Cheewingum in the bin
I don't want orders, I just wanna sleep !

CHORUS

Listen to the teacher
Don't write on the table
Don't move don't turn
Go to the board
Answer the question
Go back to your seat
These are the orders I get all the time

Don't cut don't stick
Don't do this don't do that
My teachers, my prencipal,the lollipop lady
All of their orders are driving me crazy

Don't play vidoe games
Do your homework
Walk the dog
Take out the trash
Wake up,go to the bed

Go to school

CHORUS

Listen to the teacher
Don't write on the table
Don't move, don't turn

Go to the board
Answer the question
Go back to your seat
These are the orders I get all the time

Don't talk to me please mummy
Just want to watch TV
Don't kiss me please granny
Don't give me orders because I'm angry !
